

PURCHASE ORDER TERMS AND CONDITIONS

The following terms and conditions shall apply to the transaction described in the accompanying purchase order between **ACCUDYN PRODUCTS, INC.** ("Buyer") and the entity identified as the Seller thereon ("Seller"). Whenever a term defined by the Pennsylvania Uniform Commercial Code ("UCC") is used herein, the definition contained in the UCC shall control.

1. **Acceptance.** The Purchase Order shall constitute no more than Buyer's offer to purchase goods from Seller in accordance with these terms and conditions and any additional terms and conditions expressly set forth or incorporated by express reference on the Purchase Order (hereinafter collectively referred to as the "Terms and Conditions"), which when accepted by Seller shall constitute a binding contract between the parties. Acceptance of the Purchase Order is expressly limited to and made conditional upon the Seller's acceptance of the Terms and Conditions herein, and any terms and conditions proposed by Seller in Seller's quotation, invitation, acceptance, acknowledgment, invoice, transmittal or any other document which are different from, conflict with or add to the Terms and Conditions shall be deemed to materially alter the Terms and Conditions and are hereby objected to and rejected by Buyer. Acceptance of the Purchase Order, including acceptance of the Terms and Conditions herein, shall occur upon the happening of any of the following events: (i) receipt by Buyer of the acknowledgment copy of the Purchase Order signed by Seller without alteration thereto, or (ii) receipt by Buyer of notification from Seller that Seller has commenced performance hereunder or that Seller intends to deliver or ship the goods to Buyer.

2. **Prices.** Unless as otherwise provided on the face of the Purchase Order, THE PRICES APPEARING HEREIN INCLUDE ALL PACKAGING, CRATING AND FEDERAL, STATE AND LOCAL TAXES, IF APPLICABLE, AND ARE FIRM FOR THE DELIVERY PERIOD SHOWN.

3. **Invoices.** Individual invoices must be issued for each shipment applying against the Purchase Order. Taxes (if any), freight and other charges must be shown if Seller's discount is not allowed on the full amount of the invoice. Discount privileges will apply from the date of receipt of goods hereunder or the date of receipt of the invoice, whichever date is later. Invoices shall be payable within thirty (30) calendar days after receipt, inspection and acceptance of goods by Buyer unless a later payment date is provided for in the Purchase Order or in Seller's invoice, in which case the later date shall control.

4. **Changes.** No change shall be undertaken except upon written authorization of Buyer. Buyer may at any time by written notice, make changes within the general scope of the Purchase Order in the specifications, designs, drawings, packaging, methods of shipment, quantities, place of delivery or delivery schedules. If any such change causes an increase or decrease in the costs of or the time required for Seller's performance, an equitable adjustment shall be made in the price or delivery schedule, or both, provided a written request for such an adjustment shall be made to Buyer within ten (10) business days from the date of Seller's receipt of the written notice making the change, and the Purchase Order shall be modified accordingly by written Change Order. Nothing contained herein shall relieve the Seller from proceeding without delay to perform the Purchase Order, as changed.

5. Force Majeure. Buyer shall have the right to suspend shipments from Seller hereunder without penalty or liability to Buyer in the event of war, riot, flood, acts of God, fire, court order, strike, work stoppage, act of governmental authority, or other causes beyond Buyer's control. Buyer shall not be liable to Seller for its failure to accept delivery of goods purchased hereunder, provided such failure arises from such above-mentioned causes.

6. Delivery. THE TIME OF DELIVERY IS OF THE ESSENCE. IF A TENDER OF CONFORMING GOODS IS NOT MADE BY THE SCHEDULED DELIVERY DATE, SELLER SHALL HAVE NO RIGHT TO MAKE A LATER CONFORMING TENDER. Seller shall not, without Buyer's prior written consent, manufacture or procure materials in advance of Seller's reasonable flow time. Seller shall promptly notify Buyer in writing of any anticipated delay in the scheduled delivery date, and Buyer reserves the right, in order to maintain the scheduled delivery date, to require Seller to expedite delivery either by performing fabrication or erection on an accelerated, premium time basis or by shipping via a speedier, alternate transport means. Additional costs attributable to such expedited delivery shall be paid by Seller. Seller shall be liable for all resulting damages to Buyer and any customers of Buyer occasioned by delay in delivery. Delivery shall not be deemed to be complete until the goods have been actually received and accepted by Buyer. Seller shall bear the risk of loss to the goods purchased hereunder until received and accepted by Buyer. Advance and excess shipments may at Buyer's option be rejected and returned to Seller at Seller's expense.

7. Inspection. Buyer shall have the right to inspect goods delivered prior to acceptance, notwithstanding the fact that full or partial payment for the goods has been made prior to delivery, that the goods have been inspected at Seller's place of business, or that the condition of the goods has been otherwise certified to Buyer. Such inspection may include any measurement, testing or examination which leaves possible the return of the goods to Seller in substantially the condition in which they were delivered to Buyer. Buyer may reject or revoke its acceptance of any goods which do not strictly conform with Seller's obligations under the Terms and Conditions, and in such event, Buyer shall be entitled to exercise all or any of the remedies set forth in paragraph 12. Buyer's inspection, discovery of any breach of warranty, failure to make an inspection or failure to discover any breach of warranty shall not constitute a waiver of any of Buyer's rights or remedies whatsoever.

8. Warranties. Seller expressly warrants that all goods purchased and delivered hereunder: (a) shall strictly conform in all respects with Buyer's descriptions and specifications incorporated herein; (b) shall strictly conform in all respects to any samples, drawings, specifications or other written documents presented to Buyer in connection with the sale of such goods to Buyer; (c) shall be merchantable, of new and best material and fit for the purpose for which such goods are intended, shall be free from all defects, including latent defects, in workmanship and material and design; and (d) shall strictly comply, at the time of delivery, with the U.S. Occupational Safety and Health Act of 1970, as amended, all rules, regulations and orders thereunder, and any successor provisions thereto.

In addition to the foregoing express warranties, the goods purchased hereunder shall be subject to all warranties arising by operation of law. These warranties shall survive inspection, delivery, acceptance and payment, shall run to Buyer, its officers, agents, employees, successors, assigns, customers and users of the goods and shall not be deemed to be exclusive.

9. Compliance With Law. The goods which are the subject of the Purchase Order have been or will be manufactured and sold in strict compliance with all applicable Federal, state and local laws, rules, regulations and orders. Further, such goods were or will be produced in compliance with all provisions of Executive Order 11246 and Sections 6, 7, 12 and 14 of the Fair Labor Standards Act of 1938, as amended, all rules, regulations and orders thereunder, and any successor provisions thereto. Seller hereby agrees to indemnify, defend and hold Buyer harmless for any and all costs incurred by Buyer, directly or indirectly, including without limitation, reasonable attorneys' and other professional fees, by any failure of the Seller to comply fully with the requirements of any applicable law, rule, regulation or order.

10. Termination for Convenience. Buyer shall have the right to terminate the Purchase Order for convenience, in whole or in part, at any time, upon delivery of written notice thereof to Seller. Upon receipt of such notice, Seller shall immediately stop its performance and cancel all of its cancellable commitments pertaining to the terminated work and do only such work as is necessary to preserve and protect then existing work in progress. In the event of such termination, Buyer's sole liability shall be limited to payment for (a) the Purchase Order price for goods previously completed and delivered in accordance with the Purchase Order and not previously paid for, plus (b) Seller's costs incurred prior to the date of termination for work in progress pertaining to the Purchase Order and for all inventory acquired or ordered in good faith for the purpose of fulfilling the Purchase Order which Seller is unable to cancel or return, plus (c) Seller's reasonable direct costs of cancelling the aforementioned cancellable commitments and preserving and protecting the work in progress, plus (d) a reasonable profit on amounts paid under items (b) and (c). With Buyer's written consent, Seller may sell or retain at an agreed price any work in progress or inventory, the payment for which by Buyer is provided for in item (b) above, and Seller shall credit Buyer the amount so agreed or received. Any such work in progress or inventory not so retained or sold shall be transferred and delivered by Seller in accordance with Buyer's instructions. Appropriate adjustment will be made for delivery costs or savings incurred by Seller. In no event shall Buyer be liable to Seller hereunder for loss of any anticipated profits on any portion of Seller's terminated work or for any indirect or overhead expenses of Seller not directly attributable to work actually performed or material or equipment actually ordered with respect to the Purchase Order as of the date of Seller's receipt of notice of termination hereunder, including without limitation, unabsorbed fabrication shop overhead. Seller's cancellation charges shall be subject to Buyer's audit.

11. Cancellation. Buyer may, by written notice to Seller, cancel the Purchase Order, or any part of it, upon the occurrence of any of the following events ("Events of Default"): (a) Seller fails fully to perform any of its obligations under the Terms and Conditions, including without limitation, the timeliness of delivery, the conformity of goods delivered or conformity with any express or implied warranty hereunder; (b) The commencement of an involuntary case or the filing of a petition against Seller (i) seeking reorganization, arrangement, adjustment or composition of or in respect of Seller under the Federal Bankruptcy Code as now or hereafter constituted, or under any other applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, (ii) seeking the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of Seller for any part of its property, or (iii) seeking the winding up or liquidation of its affairs, and such involuntary case or petition is not dismissed within thirty calendar days after the filing thereof; (c) The commencement by Seller of a voluntary case or the institution by Seller of proceedings to be adjudicated as bankrupt or

In the event of such cancellation, Buyer shall have the rights and remedies set forth in Paragraph 12, below, and Buyer's sole liability to Seller shall be for conforming goods completed and delivered to Buyer in accordance with the Purchase Order. Any such cancellation will be without liability to Buyer except for completed items delivered and accepted by Buyer, payment for which can be set off against damages to Buyer. Whenever Buyer has the right to demand of Seller adequate assurance of due performance, Buyer shall be sole judge of the adequacy of assurance given by Seller.

12. Rights and Remedies. If an Event of Default occurs, Buyer shall, in addition to the right of cancellation, be entitled to all remedies for a breach of contract set forth in the UCC and all other remedies available at law or in equity.
